

(Lymburn School) & Staples Edmonton Terra Rosa School Supplies 2021-22

Dear Parents,

Trust Staples – everyone’s Back-to-School Headquarters – to come up with a better way to streamline the process of getting yourself ready.

Staples School Tools Program provides you with direct access to the school supplies your child will need – as provided by their teachers – and an easy way to order them without ever leaving home. You’ll save time. You’ll save money. And you’ll have exactly what you need to give your child the best start possible.

Highlights of the New Program

Orders should be placed after July 20, 2021 to ensure parents received that best possible pricing.

Parents can deselect items from their child’s list should they already have them. Additional items such as backpacks, chromebooks, locker accessories etc. can be added if desired. Core list items only will be discount by 5% for orders over 25\$ and 10% for orders over \$50.

Please Note: There are items that are required for the first day of school such as backpacks, gym clothing, lunchboxes etc. that are not part of the Staples core packages. Please ensure your child has these items for the first day of classes.

You’ll save time. You’ll save money. And you’ll have exactly what you need to give your child the best start possible.
